

Animal Community Talks

Lecture Series

for Professionals and Volunteers

Normal or Not?

How to Assess Your Pet's Health at Home

Dr. Chris Fletcher

In this presentation, we'll discuss the specific and subtle clues our pets' eyes, ears, mouth, skin and coat, body condition, and more can tell us - if only we know where and how to look.

2 CE Credits approved by the Oregon Veterinary Medical Examining Board.

Sunday, October 29th @ 2:00pm

2:00pm @ DoveLewis Emergency Animal Hospital (Community Room)

1945 NW Pettygrove St Portland, OR 97209

Please leave animal friends at home

Free event for volunteers and professionals in the animal field

The suggested donation is \$5
