Lecture Series

for Professionals and Volunteers

From One Professional to Another: Behavior Q&A

**Dr. Chris Pachel,
DACVB**

Animal Behavior Clinic

Who doesn't like an opportunity to pick the brain of another professional and to get help navigating behavior questions that may have you a bit stumped? This is your chance! Specific content will depend on the questions and cases that you bring, so don't be shy!

Sunday, May 22nd

2:00pm @ DoveLewis Community Room

Please use street parking | Please leave animal friends at home

Free event for volunteers and professionals in the animal field

Donations help to cover program costs

RSVP at animalcommunity.org
